Important Kit Assembly Information

Bundle all items inside one of the receiving blankets, and secure with diaper pins.

All items must be NEW.

All emergency kits are carefully planned to make them usable in the greatest number of situations. Since strict rules often govern product entry into international countries, it is important that kits contain only the requested items—nothing more.

Do NOT include any personal notes, money or additional materials in the kits. These things must be painstakingly removed and will delay the shipment.

Please bring assembled kits to FUMC and place in the Fellowship Hall BEFORE March 22.
